GUIDANCE NOTE

THE BANK'S REQUIREMENTS WHILE TAKING PREMISES ON LEASE

A. Technical and Legal Aspects

1. The Bank will take the premises on the basis of carpet area, which means that the usable area inside the outer walls will be measured and not on the basis of Plinth Area / Built up area / Super Built Up Area. The actual carpet area will be worked out as per joint measurements and rent will be paid based thereon.
2. The premises offered for a branch office should have direct access from the main road for both Branch as also ATM with provision of steps as also, preferably, ramp for physically challenged/senior citizens and with handrails as per the Bank's specifications.
3. The Bank will take the premises on lease for a minimum period of nine years renewable thereafter in tranches of three/ five years.
4. The building/premises offered should have all necessary permissions from the concerned local and statutory authorities.
5. Before handing over possession of the premises to the Bank, the Owner/(s) will have to obtain all necessary approvals from the concerned local and statutory authorities for strong room, toilets, pantry, etc and for using the premises for commercial / banking purpose. The Bank will furnish the interior layout plan to the owner for this purpose.
6. The Bank will, however, have the exclusive right to vacate the premises at any time during the lease, by giving 3 months notice in writing without paying any compensation for early termination of the lease.
7. The Owner/(s) should submit the documents to title as and when called for to the satisfaction of the Advocates appointed by the Bank.
8. One certified copy each of the following documents should be submitted by the Owner/(s) whose offers are short-listed by the Bank:
 - ✓ Title document (preferably with English translation);
 - ✓ Copy of allotment letter from electricity authority regarding approval of additional power supply;
 - ✓ Copy of land and building taxes paid i.e. last receipt paid to the authorities;
 - ✓ Clearance of Development Authority/Local Body obtained if any, in connection with the related work;

- ✓ Copy of approved plan; and
 - ✓ Encumbrance certificate.
- 9 The premises offered should have a minimum height of 10 feet available below beams.

10 The Owner/(s) has to provide the following amenities at his/their cost as per necessary specification and drawings given by the Bank: -

- ✓ Space of 12'x 10' on the ground floor/basement within the compound for installation of a DG Set and a space of 15'x 15' on the roof top/terrace for installation of VSAT dish/pole antenna/MPLS pole;
- ✓ Flooring with 2' x 2' / 3'x 3' vitrified tiles and colour as per The Bank's specification;
- ✓ The windows & ventilators of the premises secured with MS grills (12mm square bars on both ways with spacing of 4 inches in between) and provided with anodized aluminum sliding windows, heavy-duty aluminum sections with 5mm thick Float Glass;
- ✓ Partition brick walls with neatly plastered surface as per layout given by the Bank for ATM, Pantry, Electrical Room, Record Room and Toilets;
- ✓ A pantry platform of 2' width with RCC slab with proper supports on brick wall and polished granite laid on top with stainless steel sink (similar to a kitchen platform) and a lunch counter of width 1'3" fitted on wall as per drawings & specification provided by the Bank;
- ✓ Two toilets (one for gents and one for ladies) with walls cladding for 7' high using glazed tiles and flooring with good quality glazed/ceramic tiles, good quality fittings and fixtures as per the Bank's specifications and drawings;
- ✓ A strong room-cum-locker room with 9" thick RCC walls and floor, with construction as per the Bank's specifications and drawings. For separation of locker area, a MS grill partition using 12mm MS square bars both ways at a spacing of 6" c/c and a grill door with locking arrangement to be provided inside the Strong Room. MS Grill work using 12mm MS square bars on both ways at a spacing of 6" to be done below roof slab for security. Strong Room Door & Air ventilator will be provided by the Bank;
- ✓ Adequate three-phase power supply (Minimum 15 KW for every 1000 sq.ft of carpet area) as a single connection with meter and main switch

of required capacity. The Bank will be arranging the internal electrical works for the premises through its contractors as per the interior design. The schematic layout of the works and electrical design details carried out inside the premises will be handed over to the Owner/(s) for arranging the approvals and connection at his cost. In case of multi-storied buildings, if a transformer is needed to be installed, the owner will also arrange the same. The Bank will not bear any cost in this regard;

- ✓ The Bank will reimburse the amount of refundable Security Deposit (if receipt for such Security Deposit is issued in the name of Bank) paid by the Owner/(s) to Electricity Board for installation of electric meter in the Bank's name only. However no such payments would be made towards installation of transformer etc.;
- ✓ Continuous water supply at all times by providing overhead tank, sump tank, motor and necessary pipe connections;
- ✓ A good sewerage system (either municipal / septic tank) for the building;
- ✓ Space for installation of sign board for full frontage length of the premises offered on lease (minimum-30 ft.);
- ✓ Adequate car & two-wheeler parking space (minimum two car parking per 1000 sq.ft.);
- ✓ Rolling Shutters/Collapsible Gate for the entrance & frontage to the Branch and ATM as per specification given by the Bank;
- ✓ The Owner/(s) should permit the Bank to install the outdoor AC machines either on the sidewalls and / roof top as per Bank's requirements.

B. Terms of Lease
